Tim,

While backfilling  yesterday the property owner changed his mind from having sod placed all the way up to the eastern foundation. He now would like his pavers placed back (see Precon photo), but also requests to have some landscaping rock placed. However, as you can see in the Precon photo, landscaping rock was not present. The rock will be an additional cost. Do you want to approve this request?

Sincerely,

**James A. Eluskie, CGWP**
